AMEND <SB>

House Joint Resolution No. 72*

by deleting the first resolving clause in its entirety and substituting instead the following:

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, That the Long-Term Care Services Planning Council is hereby urged and encouraged to amend the waiver proposal to include an individual spending average of not less than twelve thousand dollars, which would be only forty percent of the average nursing home cost, with the understanding that the program would then offer a real option to nursing home institutionalization to approximately two thousand five hundred elderly, or disabled, eligible individuals.

AND FURTHER AMEND by deleting the second resolving clause in its entirety and substituting instead the following:

BE IT FURTHER RESOLVED, That the Planning Council is hereby urged and encouraged to include in the waiver proposal a broader range of HCBS services, including case management, personal care, homemaker services, home delivered meals, personal emergency response systems, minor home modifications, respite services, adult day care, assisted living, assisted transportation services, assistive technologies, and medical equipment and supplies.
